WISHES FOR THE HOLY MONTH OF RAMADAN 2020

“(These days are those of) the month of Ramadan in which was revealed as a guidance for the people a clear sign of guidance and criterion...” (Qur'an, extract from verse: 185, Surat: 2)

In the context of crisis linked to the COVID-19 pandemic, this month of Ramadan is also a reminder and an opportunity for humankind to revive the sacredness of life, the respect towards nature, the reinforcement of brotherhood ties, solidarity and sharing*.

To all the Muslim believers, and to all our brothers and sisters in Mankind, we wish a wonderful month of Ramadan, imbued with peace, mercy and forgiveness for all our forgetfulness, our indifference and our neglect, sources of sufferings and injustices in the world and vis-a-vis the reign of the Living.

May this period of invitation to the raising of consciousness bring forcefully out of the current trial, the best of what Humankind bears and the asserted and shared will to build with one another, a new world based on the foundations of the culture of peace, the virtues of a pacified human family, united in its rich diversity.

We wish to each and every one and their families, a month of goodwill and benevolence.

With our brotherly salutations,

Sheikh Khaled Bentounes
Honorary President

Hamid Demmou

* For the common welfare during this exceptional month of Ramadan, which coincides with a period of extended containment, the stringent respect of the rules and directives issued by authorities, especially with regard to gatherings, remains topical.
