SUMMER SCHOOL 2025

Placing peace at the heart of education and learning

EDUCATION FOR A CULTURE OF PEACE AND ARTIFICIAL INTELLIGENCE

THE ECP'AI PROJECT

MOSTAGANEM, AUGUST 14–17, 2025

CALL FOR CONTRIBUTIONS

As part of its efforts to develop and promote the Education for a Culture of Peace (ECP) pedagogy designed by the ECP trainers' collective, AISA International NGO, in collaboration with the Djanatu al-Arif Foundation, is organizing a summer school from August 14 to 2025 ,17, in Mostaganem.

This event aims to bring together interdisciplinary working groups to lay the foundations for an in-depth and collaborative reflection on how to disseminate ECP. It will also explore how Artificial Intelligence technologies can support its appropriation and practical application in educational and societal contexts.

Participants will engage in a collective process to co-develop a comprehensive roadmap, bridging strategic and operational levels, in order to enhance and capitalize on the various initiatives of AISA International NGO.

We invite contributions in one of the following key areas:

- Strategy
- Marketing & Communication
- User Experience (UX) & Interface Design
- Finance & Business Models
- Software Development & Digital Design
- User Testing & Data Collection

To apply, please complete the following form:

Participation – Summer School 2025

Applicants will be asked to submit a CV and a brief motivation statement. They will receive a confirmation upon review of the submission.

Application deadline: July 2025 ,14

Participation fee: 6000 DZD for residents in Algeria, and 60€ for international participants.

This fee covers full accommodation and meals from the afternoon of Wednesday, August 13 to the morning of Monday, August 18.

For any inquiries, please contact us at:
